

## Ghosts Of Mississippi The Steeldrivers

Capo 2nd fret = original key --- Drop D Tuning (optional)

Intro - Dm

Dm

Late one night behind corn whiskey - I fell asleep with a guitar in my hand

I dreamed about the ghosts of Mississippi - And the blues came walkin' in like a man

Without a word I passed that guitar over - He tuned it up like I'd never seen

A crooked smile was his expression - Then he closed his eyes and began to sing

Oh Lord why have you forsaken me - Got me down in Mississippi where I don't want to be

Oh Lord why have you forsaken me - Got me down in Mississippi where I don't want to be

Break - Dm

When I woke up - I looked into the mirror - I saw no reflection for a while

But as my eyes came into focus - I recognized that crooked smile
