She was stormin' through the house that day
And I could tell she was leavin' - And I thought, 'aw, she'll be back.'
Until she turned around and pointed at the wall and said

That picture from our honeymoon that night in 'Frisco Bay

G D

Just give it away - She said give it away
That big four poster king sized bed - where so much love was made

G D

Just give it away - She said just give it away

G D

Just give it away - There ain't nothing in this house worth fightin' over

A G G7 D

Oh, we're both tired of fightin' anyway ---- Just give it away

So, I tried to move on - But I found that each woman I held

Just reminded me of that day - Hmm

When that front door swung wide open - She flung her diamond ring said

G D

Give it away - Just give it away
And I said, now honey - Don't you even want your half of everything

G D

She said give it away - Just give it away

So, I'm still right here where she left me

Along with all the other things that she don't care about anymore - Hmm

Like that picture from our honeymoon - That night in 'Frisco Bay

G D

She said give it away - Well, I can't give it away

That big four poster king sized bed where all our love was made
