By Cat Mother

When I was just - a little boy - you know my one and only joy
Was listening to that good old rock and roll
Well I just turned 23 - and if you want to get a message to me
All you gotta do is play that good old rock and roll

Break – C-F-Gb-G

They're really rocking in Boston - and Philadelphia, PA
Deep in the heart of Texas - And round the Frisco Bay
They're all over La Hoya - And down in New Orleans
All the cats wanna dance with - sweet little sixteen
I'm gonna tell Aunt Mary about Uncle John
He said he got the misery but know he's having fun - Oh baby
Yeah, oh, baby - Woo, oh, baby - I'm having lotta fun tonight
Chantilly lace and a pretty face and a ponytail hanging down
A wiggle in her walk and a giggle in her talk
Makes the world go round
