

Goodbye Is All We Got Left

Lyrics And Tab

(By Steve Earle)

Intro - G-C-D-G-C-G-D-G

Capo on 7th fret

G C G C G
I could tell it when I woke up this mornin'
D G C G
'Cause I can smell it when a heartache's comin'
C G C G
Not that I'm in a hurry to lose you
D G C G
I'd call you up but there's nothin' that I can do
C D G C G
Talkin' won't do any good anyway
D G C G D G C G D G
'Cause goodbye's all we've got left to say
C G C G
I don't think that it can get any better
D G C G
So maybe you could just write me a letter
C G C G
And I could open it up when I'm stronger
D G C G
Another ten or twelve years, maybe longer
C D G C G
I just don't feel much like bad news today
D G C G D G C G D G
Goodbye's all we've got left to say
C G C G
Don't try to call me 'cause I'm takin' my phone out
D G C G
'Cause if it rings, I'll know what it's about
C G C G
And don't you worry 'bout me 'cause I'm alright
D G C G
Maybe you'll run into me somewhere, some night
C D G C G
And if you do just keep goin' your way
D G C G
Goodbye's all we've got left to say
D G C G D G C G D G
Goodbye's all we've got left to say
