And when the love died, I never asked why

C G Em D

You never know what makes it end

Em C

You said, "I'll see you again soon

Am D G Bm C D

And we'll always be good friends." ..ah ah ah

G

But when the night comes & when I'm lonely

C G Em D

And when it's only you I need

Em C

I wonder will you be by me

Am D G

To perform a good friend's deed

Bm

But the days went by, and the pain, it grew

Am D

You must have known what I was going through

G Am

You know, but - I never even heard a word from you
