

# Goodnight Moon

## Tab Chords And Lyrics

### By Will Kimbrough

Intro D7-G-D7-G-D7

          G                  D                  Em                  C  
Goodnight moon, goodnight stars, Goodnight old broke down cars  
          G                  D                  C  Am                  G  D7  
I'm going away, I'm leaving soon Goodnight darlin', Goodnight moon  
          G                  D                  Em                  C  
I don't know where I'll be, And I don't know if I'll see  
          G                  D                  C  Am                  G  
Out the window of my room, Shining down, Goodnight moon

D                                  G                                  C                  G  
Thank you babe I'm gonna miss you, when the night comes round  
D                                  G                                  Em                  Am                  D7sus D7  
That's when I long to kiss you, when the moon shining on the ground

Break – G-D-Em-C-G-D-C-Am-G

D                                  G                                  C                  G  
Thank you babe I'm gonna miss you, when the night comes round  
D                                  G                                  Em                  Am                  D7sus D7  
That's when I long to kiss you, when the moon shining on the ground

          G                  D                  Em                  C  
Goodnight moon, goodnight stars, Goodnight old broke down cars  
          G                  D                  C  Am                  G  D7  
I'm going away, I'm leaving soon Goodnight darlin', Goodnight moon  
          C  Am                  G  D7  
Goodnight darlin', Goodnight moon  
          C  Am                  G  D7  G  D7  G  D7  G  
Goodnight darlin', Goodnight moon
