

Grannys Got Her Daisy Dukes On Tab Chords And Lyrics By Joey And Rory

E
Well, everything was normal 'round the house you know
 B7 E
'til Grandpa kicked the bucket 'bout a year ago
A
At first she moped around all dressed in black
 E B7 E
'til she finally realized he wasn't coming back
 B7
Now she's headed out to Bingo -and Lord it's just wrong
 E
Cause granny's got her Daisy Dukes on

Well she pawned her wedding band the very first thing
She got a spray on tan and a belly button ring
 A
Got her bikini line waxed and her gray hair dyed
 E
Yeah and a tattoo on her back that said Born to Ride
 B7
The old farts are lining up down at the nursing home
 E
Granny's got her Daisy Dukes on

 A E
The way she shakes that thing, Lord it just ain't right
 A B7
Look at those varicose veins running through that cellulite
 E A G
Well she traded in her granny panties for a leopard skin thong
B7 E
Granny's got her Daisy Dukes on.....wait there's more

She was married to the same man 47 years
She never smoked a cigarette or took a taste of beer

A
She raised her kids and she cooked and she swept the floor
E
Yeah nobody ever thought she wanted anything more
B7 E
Just like her bra those days are gone - Granny's got her Daisy Dukes on

A E
The way she shakes those things, Lord it just ain't right
A B7
Look at those varicose veins running through that cellulite
E A G
Well she traded in her granny panties for a leopard skin thong
B7 E
Granny's got her Daisy Dukes on

I can see her now on Springbreak - Daytona Beach ... on tv on Granny's
gone wild.....
