

Gypsy Moth

Tab And Lyrics

By Hoyt Axton

Intro G-C-G-C-G

G C G C G
Well the Gypsy moth she's a mighty high flyer - Sailing on an inland sea
C G C G
You are the object of my desire sun and the moon to me
C G
And I believe in lovin you
C
Know that you keep me feeling blue and you make me happy
G
When everything I do gets me in trouble

But river she rock - river she roll
River she carry you down to the sea - oh oh oh

C G C G
Ramblin Jack had a woman he loved but the woman didnt love Jack back
C G C G
She took his smile she took his child she took everything he had
C G
River was the name she used
C
You know she kept him so damm confused she made him unhappy
G
In everything she did got him in trouble

But river she rock - river she roll
River could carry Jack down to the sea - oh oh oh

C G C G
Many long years have come and gone since John F Kennedy died
C G C G
Im not sure but I'd say that man was damm near crucified
C G
By the same bad guys still tellin lies

C
You know that they keep us so damm confused and abused they make us
unhappy

G
And everything they do gets us in trouble

But river she rock - river she roll
River could carry us down to the sea - oh oh oh

C G C G
The black raccoon by the light of the moon heard the music playin soft & low

C G
And the songs we sang made the nighttime ring

C G
And the raccoon loved the show

C G
And then he went back and he told his friends

C
You know them humans that live at the edge of the forest

G
They all had a party and man they really played my kind of music

River she rock - river she roll - River she carry you down to the sea

G C G C G
Well the Gypsy moth she's a mighty high flyer - Sailing on an inland sea
