Intro – D-G-D-Gm (x2)

D D/A G
Lucky at love - well maybe so
D D/A Gm
There's still a lot of things you'll never know
D D/A G A D Gm
Like why each time the sky begins to snow -- You cry
D D/A G
You're faithful to her in your careless way
D D/A Gm
And so you miss her when she's far away
D D/A G A D G D Gm
But every time you think you've got it straight - You fall
D D/A G
You face the future with a weary past
D D/A Gm
Those dreams you banked upon are fadin' fast
D D/A G A D G
You know you love her but it may not last - You fear
D D/A G D D/A Gm
It's never easy and it's never clear - Who's to navigate and who's to steer
D D/A G A D G
And so you flounder drifting ever near - the rocks
E7 D Dsus D7
It's hard to say where love went wrong -- It's hard to say just when
G E7
It's so hard to say- It's hard to walk -away from love
Em Gm
It may never come again
D D/A G
You do your best to keep your hand in play
D D/A Gm
And try to keep those lonesome blues at bay
D D/A G A D G
You think you're winning but it's hard to say - sometimes
