Tab Chords And Lyrics

By Bryan Adams

Intro – D+ - Cm – Dsus - D

To really love a woman - To understand her
You gotta know her deep inside
Hear every thought - see every dream
N' give her wings when she wants to fly
Then when you find yourself lyin' helpless - in her arms
Ya know ya really - love a woman
When you love a woman - you tell her that she's really wanted
When you love a woman -- you tell her that she's the one
Cuz she needs somebody -to tell her that it's gonna last -----forever
So tell me have you ever really - really really ever loved a woman?
To really love a woman - Let her hold you
Til ya know how she needs to be touched
You've gotta breathe her - really taste her
Til you can feel her in your blood
N' when you can see your unborn children --in her eyes
Ya know ya really love a woman
