

Head Over Boots Chords And Lyrics By Jon Pardi

Intro G-D-Em-C-Cm

I wanna sweep you off your feet tonight

I wanna love you and hold you tight

Spin you around on some old dance floor

Act like we never met before - for fun

You're the one I want, you're the one I need baby if I was a king
Ah, you would be my queen

You're the rock in my roll - You're good for my soul, it's true

I'm head over boots for you

The way you sparkle like a diamond ring

Maybe one day we can make it a thing

Test time and grow old together

Rock in our chairs and talk about the weather, yeah

So bring it on in - for that angel kiss - Put that feel good on my lips, 'cause

You're the one I want, you're the one I need baby if I was a king
Ah, you would be my queen

You're the rock in my roll - You're good for my soul, it's true

I'm head over boots for you

Break – G-D-Em-C-Cm

Yeah, I'm here to pick you up and I hope I don't let you down - no, - 'cause

You're the one I want, you're the one I need baby if I was a king
Ah, you would be my queen

You're the rock in my roll - You're good for my soul, it's true
I'm head over boots for

You're the one I want, you're the one I need baby if I was a king
Ah, you would be my queen

You're the rock in my roll - You're good for my soul, it's true
I'm head over boots for you

I wanna sweep you off your feet tonight

I wanna love you and hold you tight

Spin you around on some old dance floor, yeah
