Chords And Lyrics

By Jon Pardi

Intro – A-Dbm-Bm x 2

A Dbm
Yeah, I was just hanging out - Some little west coast town
Bm A
Found a bar out by the sand - so I made my way in
Dbm
First thing that caught my eye - like nothing I'd ever seen
Bm A
Sunburned auburn air - the California dream
Dbm
Yeah, she was shaking them hips - To some old motown song
Bm
I couldn't say anything - so I sang along

A
She was a heartache on the dance floor
Dbm
(Heartache on the dance floor)

Bm
She's moving through my mind – (moving through my mind)

A Dbm
I gotta know her name - and I gotta see her again
Bm

She's got me wondering - yeah I'm just wondering

A Dbm Bm
Where she at where she at where she at tonight?
A Dbm Bm

Where she at where she at where she at tonight? whoa

A Dbm
So I just hung around - this little west coast town

Bm A
I dropped by every night - I stayed till closing time\
Dbm
My little mystery - that girl is killing me
