I think about you, baby - And I dream about you all the time

I'm here without you, baby - But you're still with me in my dreams

And tonight - it's only you and me

Everything I know - And anywhere I go

It gets hard But it won't take away my love

And when the last one falls ----- When it's all said and done

It gets hard But it won't take - away - my love – whoa

I'm here without you, baby - But you're still on my lonely mind

I think about you, baby - And I dream about you all the time

I'm here without you, baby - But you're still with me in my dreams

And tonight - it's only you and me, yeah.

Oh yeah
