E D E
As I look at the valleys down below
D E
They are green just as far as I can see
D E A
As my memories return, oh how my heart did yearn
E B7 E
For you and the days that used to be

D E A
High on a mountain top, standing all alone
E B7 E
Wondering where the years of my life have flown
D E A
High on a mountaintop, wind blowing free
E B7 E
Thinking about the days that used to be

Break - E-D-A-E-D-A-E
E-D-E-A-E-B7-E

E D E
Well, I wonder if you ever think of me
D E
Or has time erased your memory
D E A
As I listen to the breeze - whisper gently through the trees
E B7 E
I wonder if you ever think of me

High on a mountain top, standing all alone
Wondering where the years of my life have flown
High on a mountaintop, wind blowing free
Thinking about the days that used to be
High on a mountain top
Thinking about the days that used to be
And I wonder if you ever think of me
