

Holler Back - The Lost Trailers

Intro - E E-D-A E-D-A

E G A
I got a city folk friend in a hip-hop world he goes by E. Diddy but his name is Earl

E G A
Cocks his hat to the side in his Grandma's ride - Pumpin' nothin' but bass

E G A
He says things like, 'Dawg, are you down with that' - and don't that fly girl got some back

E G A
And I feel - so doggone outta place - when he says

G A
Holler back when you get back home

G A
I say the only holler back that I know is

E D A
In that holler back - in the woods - Where the country folks got it good

E D A
Homebrewed - homegrown - Where the wild seeds 'a get sown

E D A
It's a blast - from the past - All the cowgirls shakin' their sassafras
G A E

Let out a howl if 'ya feel like 'ya gotta - If you wanna go on back to the holler holler back

E G A
Take a left off the Interstate go ten miles take a right on Farm Road 99

E G A
And just roll - 'til the blacktop ends

E G A
Ya see Mary Jo rockin' that front porch swing - Bikini top and them cut-off jeans

E G A
And that's where - Hillbilly Heaven begins

G A
Ah she'll pour 'ya some of that cherry wine

G A
Boy you're guaranteed to have yourself one hell of a time

E D A
In that holler back - in the woods - Where the country folks got it good

E D A
Homebrewed - homegrown - Where the wild seeds 'a get sown

E D A
It's a blast - from the past - All the cowgirls shakin' their sassafras

G A E
Let out a howl if 'ya feel like 'ya gotta - If you wanna go on back to the holler holler back

B-C-D

E D A
In that holler back - in the woods - Where the country folks got it good

E D A
Homebrewed - homegrown - Where the wild seeds 'a get sown

E D A
It's a blast - from the past - All the cowgirls shakin' their sassafras

G A E D
Let out a howl if 'ya feel like 'ya gotta - If you wanna go on back to the holler holler back

A
Where the wild seeds a get sown

E D A
Its a blast from the past - All the cowgirls shakin' their sassafras

E D A
Home brewed, homegrown - Where the wild seeds a get sown

G A E
ohhho- ohhh - ohh
