

# Hollywood Nights

## Lyrics And Tab

(By Bob Seger)

---

Intro - E - A - D - E

E A  
She stood there bright as the sun on that California coast  
D E

He was a midwestern boy on his own

A  
She looked at him with those soft eyes so innocent and blue  
D E  
He knew right then he was too far from home

A D E  
Oh, he was too far from home

E A  
She took his hand and she led him along on that golden beach  
D E  
They watched the waves tumble over the sand

A  
They drove for miles and miles on those twisting turning roads  
D E  
Higher and higher and higher they climbed

A  
In those Hollywood nights, in those Hollywood hills  
D E  
She was lookin' so right, in her diamonds and frills

A  
Oh those big city nights, in those high rollin' hills  
D E  
Above all the lights, she had all of the skills

D-A-E A E A E

E A  
He'd headed west cause he felt that a change would do him good  
D E  
See some old friends, good for the soul

A  
She had been born with a face that would let her get her way  
D E  
He saw that face and he lost all control

A D E  
He had lost all control

E A  
Night after night and day after day it went on and on  
D E  
Then came that morning he woke up alone

A  
He spent the day staring down at the lights of LA  
D E  
Wondering if he could ever go home .... CH x 2 (D - A - E)
