

Home Away From Home England

Sean Keane

Capo 2nd fret

Intro - C-F-Dm-G-C ... C-F-Dm-G-C

C F Dm

I didn't sleep at all last night I stayed up 'til the dawn

G

Banging out the jigs and reels 'til everyone had gone

C F Dm

Singing some old shut-eyed songs I hadn't sung for years

G C

Knocking back the brandy and the beer

C F Dm

Back across the ocean to my home away from home

G C

I'm glad to be returning but sad to have to go

F Dm

I'd like to find a way to be two places at one time

G C

But it's easy going back again but it's hard to say goodbye

C F Dm

I had one bag too many just as I was set to leave

G

I was loaded down with bacon and with sausages and tea

C F Dm

And I couldn't find my ticket as I'm walking out the door

G C

'Til I emptied all my bags out on the floor

Ch

C F Dm
On board the plane I sip a drink while waiting for the meal

Just trying not to let my head know how my stomach feels

C F Dm
There's a baby right behind me making sure that I won't sleep

G C
And the flight's too full to find another seat

C F Dm
Back across the ocean to my home away from home

I'm glad to be returning but sad to have to go

I'd like to find a way to be two places at one time

Break - C-F-Dm-G-C ... C-F-Dm-G-C

C F Dm
I fell asleep at last just as the plane is touching down

And I age ten years just waiting for the bags to come around

And I make it home at last - and I'm barely un-packed when

I'm already making plans to go again.
