C CMaj7 Dm G7 Dm G7  
See the tree, how big it's grown but friend it hasn't been too long, it wasn't big  
Dm G7 Dm G7 C  
I laughed at her and she got mad, the first day that she planted, it, was just a twig  
CMaj7 Dm G7 Dm G7  
Then the first snow came and she ran out to brush the snow away - so it wouldn't die  
Dm G7 Dm G7 C  
Came runnin' in all excited, slipped and almost hurt herself and I laughed till I cried

CMaj7 Dm G7 Dm G7  
She was always young at heart, kinda dumb and kinda smart and I loved her so  
Dm G7 Dm G7 C  
And I surprised her with a puppy kept me up all Christmas Eve - two years ago  
CMaj7 Dm G7 Dm G7  
And it would sure embarrass her when I came in from workin' late 'cause I would know  
Dm G7 Dm G7 C  
That she'd been sittin' there and cryin' over some sad and silly - late, late show

Dm G7 Dm G7 C Cmaj7  
And honey, I miss you - and I'm bein' good  
Dm G7 Dm G7 C  
And I'd love to be with you - if only I could

C CMaj7 Dm G7 Dm G7  
She wrecked the car and she was sad and so afraid that I'd be mad, but what the heck  
Dm G7 Dm G7 C  
Though I pretended hard to be guess you could say she saw through me and, hugged my neck  
CMaj7 Dm G7 Dm G7  
I came home unexpectedly and caught her cryin' needlessly in the middle of a day  
Dm G7 Dm G7 C  
And it was in the early Spring when flowers bloom and robins sing, she went away

D Dma7 Em A7 Em A7  
One day while I was not at home while she was there and all alone, the angels came  
Em A7 Em A7 D  
Now all I have are memories of Honey and I wake up nights, and call her name  
Dmaj7 Em A7 Em A7  
Now my life's an empty stage where Honey lived and Honey played and love grew up  
Em A7 Em A7 D  
And a small cloud passes overhead and cries down on the flower bed that Honey loved  
Dmaj7 Em A7 EmA7  
And see the tree how big it's grown but friend it hasn't been too long - it wasn't big  
Em A7 Em A7 D  
And I laughed at her and she got mad, the first day that she planted it - was just a twig
