

Honky Tonk Heart

Highway 101

Intro - C-G-C

C F C F C
Well I met you in a bar and you looked like a movie star
G C

When we touched, I could feel a spark

F C F C
I was young and foolish too, my friends warned me about you
G C

But I believed in your - honky tonk heart

A# C F C G
Our song of love is almost ended - I can feel us driftin' apart
C C7 F G C
I won't play second fiddle - To the beat of your honky tonk heart

Break - C-F-G-C

C F C F C
Well, we used to feel the same - but now one of us has changed
G C

Oh, the night life - isn't my life anymore

F C F C
What matters most to me - is a home and a family
G C

But you can't find that - behind those swingin' doors

Ch

G F C
Go on back to the bar where I found you
G C

Go on back to your so called second home

D G
You'll feel better with your good time friends around you
D G

And I'll be here but I won't be alone

Ch

G C
To the beat of your honky tonk heart
