

# How Much Tequila Did I Drink Last Night

## Goodman / Prine

Intro

G

How much tequila did I drink last night? - It's really anybody's guess

I poured them so fast I couldn't keep them in the glass

D

G

But this morning I sure am a mess

C

My head is four or five times it's normal size

G

I got this big old cactus stuck between my eyes

C

I can't recall a single thing I did or said

G

Or the names of all these people sleeping in this bed

D

D7

Tell me how, tell me how, tell me how, tell me how

G

Tell me how much tequila did I drink last night?

How did I get these cuts and bruises all over my body?

I must have fallen down somehow

Well it must have had something to do with karate

D

G

Well it's all coming back to me now

C

I was standing in a bar with King Kong's cousin

G

He must have been seven foot three

C

His elbow gave me a bump, and so I said "Hey, chump

G

Would you like to step outside with me?"

D

D7

Tell me how, tell me how, tell me how, tell me how

G

Tell me how much tequila did I drink last night?

C

My mouth is filled with cotton and my brain is sore

G

I left last night's dinner on this morning's floor

C

My belly is swollen - my eyeballs shrunk

D

A

D

I drank so much that my hair got drunk

G

I see a big old worm about ten feet long - I'm Hallucinating purple cows

D

G

Somebody moved the furniture while I was gone - Uh oh, this is not my house

C

G

I could call us a taxi on the telephone - If I just knew where we are

C

I guess I'm gonna have to drive myself back home

G

As soon as I can find the car

D

D7

Tell me how, tell me how, tell me how, tell me how
