

I Need A Miracle Chords And Lyrics By The Grateful Dead

Intro – E

E
I need a woman 'bout twice my age
A lady of nobility, gentility and rage
Splendor in the dark, lightning on the draw
We'll go right through the book and break - each and every law

A E
I got a feeling - and it won't go away, oh no
B7 E
Just one thing-then I'll be ok - I need a miracle every day

I need a woman 'bout twice my height
Statuesque, raven-dressed, a goddess of the night.
Her secret incantations, a candle burning blue
We'll consult the spirits -maybe they'll know what to do

A E
And it's real - and it won't go away, oh no
B7
I can't get around - and I can't run away
E
I need a miracle every day

Break – E-A-E-B7-E

E
I need a woman 'bout twice my weight
A ton of fun who packs a gun with all her freight
Find her in a sideshow - leave her in L.A
Ride her like a surfer -running on a tidal wave

A E
And it's real, believe what I say, yeah
B7 E
Just one thing - I got to say - I need a miracle every day
B7
It takes dynamite to get me up
E
Too much of everything is just enough
B7 E
One more thing - I just got to say - I need a miracle every day

G
I need a miracle every day
