Intro – Dm-G-Dm-G

          Dm          G          Dm          G  
It was late - last night - I was feeling something wasn't right  
          Dm          G          Cmaj7  
There was not another soul in sight - Only you - only you  
          Dm          G          Dm  
So we walked - along - Though I knew that there was something  
G  
Wrong  
          Dm          G          Cmaj7  C7  
And a feeling hit me oh so strong - about you

          Fmaj7          Em          Am7          D7  
Then you gazed up at me - and the answer was plain to see  
          Dm          G          Cmaj7  Dm          Cmaj7  Dm  
'Cause I saw - the light - In your eyes ----- in your eyes

          G          Dm          G  
Though we had - our fling - I just never would suspect a thing  
          Dm          G          Cmaj7  
Till that little bell began to ring - In my head -in my head  
          Dm          G          Dm          G  
But I tried - to run - Though I knew it wouldn't help me none  
          Dm          G          Cmaj7  C7  
'Cause I couldn't ever love no one - Or so I said

          Fmaj7          Em          Am7          D7  
'Cause my feelings for you - were just something I never knew  
          Dm          G          Cjam7  Dm          Cmaj7  Dm  
Till I saw - the light - In your eyes ----- in your eyes

Break –Dm—G – Dm---G – Dm—G-Cmaj7

But I love - you best - It's not something that I say in jest

And I ran out before - But I won't do it anymore
