I See A Darkness
Chords & Lyrics
By Bonnie Prince Billy

Capo 1st fret (optional)
Intro – C-G-C-G

Em G C G C
Well you're my friend - And can you see
Em C
Many times - we've been out drinking - And many times we've shared our thoughts
Em C
But did you ever - ever notice - the kind of thoughts I got
Bm Em C
Well you know I have a love - for everyone I know
Bm Em C
And you've seen I have this drive - to live I won't let go
Em C
But can you see it's opposition - comes arising up sometimes
Em Cc
That it's dreadful and position - comes a blacking in my mind

G C
And then I see a darkness - And then I see a darkness
G C
And then I see a darkness - And then I see a darkness
G C
And did you know how much I love you is a hope that somehow you could save me from
G
this darkness

Em G
Well I hope that someday buddy - We got peace in our lives
C G Em
Together or apart - Alone or with our wives and we can stop our whoring
C G Bm
And pull the smiles inside - And light it up forever - And never go to sleep
D Bm C
My best unbeaten brother - This isn't all I see

G C
I know I see a darkness – I know I see a darkness
G C
I know I see a darkness – I know I see a darkness

G C
And did you know how much I love you is a hope that somehow you could save me from
G
this darkness
