The Dixie Chicks

No Capo = original key

C F G C
I made a promise to myself - Locked it away deep down inside
F G C
Told my heart we'd wait it out - Swore we'd never compromise
F G C
Oh I'd rather be alone - Like I am tonight
F G C
Than settle for the kind of love - That fades before the morning light
F G C
Silence stared me in the face - And I finally heard its voice
F G C
It seemed to softly say - That in love you have no choice
F G C
Today I got the answer - And there's a world of truth behind it
F G C
Love is out there waiting somewhere - You just have to go and find it

D# G C D# G C
I believe in love - I believe in love

A love that's real - love that's strong

Love that lives - on and on
