

# Long Tall Glasses (I Can Dance)

## Leo Sayer

Intro - A

I was travellin' down the road feelin' hungry and cold  
I saw a sign sayin' food and drinks for everyone

D A  
So naturally I thought I would - take me a look inside  
E D A  
I saw so much food there was water coming from my eyes

Yeah there was ham and there was turkey there was caviar  
And long tall glasses with wine up to y'are

D A  
And somebody grabbed me - threw me out on my chair  
E D A  
Said before you can eat - you gotta - dance like Fred Astaire

You know I can't dance you know I can't dance

D A E D (riff) A  
You know I can't dance you know I can't dance

I am a man of the road a hobo by name  
I don't seek entertainment just poultry and game

D A  
But if it's all the same to you - then yes I will try my hand  
E D E (riff)  
If you were hungry as me then I'm sure you will understand - Now wait a minute

A  
Of course i can dance - Of course I can dance  
I'm sure can dance I'm sure i can dance - I can dance -

D A  
I can dance - I really hit the floor  
E D E (riff) A  
Ah it feels good - Look at me dancing
