

I Don't Want To Live On Mars

Ziggy Marley

A E
I don't wanna live on mars - I don't wanna drive space cars

D
I just wanna be with you - And do the things we do

A E
Don't want to escape to the moon - Even if the world went boom

D
I just want to be with you - And do the right things to you

A E D
You give me everything I need - You're my garden you're my breeze
Let me get down, and thank you please

A E D
Hey let me lay here - for a while - 'Cause you're beauty makes me high
If you cry then I will cry - Yeah

A E
Hey let me make one thing clear - Nothing can compare

D
You're love is the blue sky - You're love is a butterfly

Ch

A E
Oh good karma you're my queen - Precious things my eyes have seen

D
Sweetest place - I've ever been

A E D
You make me feel just like a king - I'll never leave you for that girl
Oh my darling you're my world

A E
That witch called winter is so mean - summers that I've never seen

D
They say I'm love crazy - love crazy - yeah

Ch D-D7

E A
Can't take the heat turn down the fire - Can't swim don't tempt the waters

E Gbm
Believe what you want, this is my point of view

D
I wanna be cool - so let me get through to youto you

A E
I don't wanna live on mars - I don't wanna drive space cars

D
I just wanna be with you - And do the things we do

A E
Don't want to escape to the moon - Even if the world went boom

D
I just want to be with you - And do the right things to you
