

# If This House Could Talk

## Chords And Lyrics

### By Smiley Bates

Intro -C-G7-C

C G7 C  
I just came back in town - to sign the papers  
G F C C7  
The house is sold now it's no longer mine  
F C F  
And since the place I built for you once meant -so much to me  
C G7 C  
Thought I'd drop by and see it- one more time

G7 C  
I parked the car got out - and looked it over  
G F C C7  
The unkept lawn now seems so strange to me  
F C F  
That rambling rose that I'd set out - With tender love has died  
C G7 C  
And weeds grow now where flowers - used to be

F C  
If this house could talk oh what a story  
G C C7  
Although it's only made of wood and stone  
F C  
How it would brag about its days of glory  
G7 C  
When it almost became a happy home

Break - C-G7-C

G7 C  
I walked - up close looked through the picture window

G F C C7  
 The past was oh so clear as I looked through  
 F C F  
 I listened close and almost heard those tender words of love  
 C G7 C  
 As I sat by the fire-side with you  
 F C  
 If this house could talk oh what a story  
 G C C7  
 Although it's only made of wood and stone  
 F C  
 How it would brag about its days of glory  
 G7 C G7 C  
 When it almost became a happy home
