

If Tomorrow Never Comes

Chords & Lyrics

By Garth Brooks

Am D C G C G
Sometimes late at night - I lie awake and watch her sleeping
D Am D C G C G
She's lost in peaceful dreams so I turn out the lights - and lay there in the dark
Am D C G C G
And the thought crosses my mind - If I never wake up in the morning
D Am D C G
Would she ever doubt the way I feel - about her in my heart

C G
If tomorrow never comes - will she know how much I loved her
D Am D C G
Did I try in every way - to show her every day - that she's my only one
C D Em
And if my time on earth were through - and she must face the world without me
Am C D
Is the love I gave her in the past - gonna be enough to last
G
If tomorrow never comes

Am D C G C G
'Cause I've lost loved ones in my life - Who never knew how much I loved them
D Am D C G C G
Now I live with the regret that my true feelings for them never were revealed
Am D C G C G
So I made a promise to myself - to say each day how much she means to me
D Am D C G
And avoid that circumstance where there's no second chance - to tell her how I feel

Ch
Am C D
So tell that someone that you love - Just what you're thinking of

If tomorrow never comes
