

## If I Could Only Dance With You Tab By Jim Glaser

Intro – C-Em-F-G-C-Em-F-G

C F G  
I never dreamed I'd see you around -- this far from our hometown  
F G C G7  
Standing face to face it all comes back to me  
C F G  
But I'm with her and you're with him - that's how the night begins  
F G C Dm  
But I've seen night time change things so easily  
G7 C Em F G  
If I could only dance with you - It would only take a song or two  
C Em F G  
To show you that my feelings --- have never slipped away  
Gb Am Em Dm  
And when we move across the floor -- You'll remember how it felt before  
G7 C - Em - F - G  
If I could dance with you

C F G  
Call it luck - or call it fate -- being here was worth the wait  
F G C G7  
We've both had lots of time to try and start again  
C F G  
I thought I was doing just fine -- but seeing you has changed my mind  
F G7 C Dm  
And when the musics, right I'm gonna steal your heart again
