

# I Just Want To Make Music

## Tab Chords And Lyrics

### By Ken Tobias

Intro - G-C-Bnote-Am-G-Gb-D

G Am  
Here I'm sitting playing my guitar  
D G  
Singing a love song and wishing upon a star  
Am D G  
Can't piano, I can't play a sitar, I just want to make music

Am  
Open the curtains and look through my window  
D G  
Watching the trees move and feeling the winds blow  
Am  
My lady speaks softly and turns down the lights low  
D G  
I just want to make music

C D G  
I just want to make music all night long  
C D G D  
I just want to make music and sing my song ----- Intro

G Am  
Mitchell and Vicki are coming to see me  
D G  
Get out the honey and I'll make a pot of tea  
Am D G  
Ain't got much money but I like living free, I can always make music  
Am  
Sang until sunrise and sleep was in Vicki's eyes  
D G  
My how the time flies - memories of goodbyes  
Am D G  
Look out my window and I can see blue skies, that just part of music

Chorus - La la la la la la la la etc - Intro
