

# I'm Already Taken

## Tab Chords And Lyrics

### By Steve Wariner

Intro - Am-D7

My little third grade hand wrote 'I love you' - On a note of yellow paper  
And sent it to the front of the row - To a little blond-haired girl  
The blond-haired girl just opened it - And read it to herself  
I was so embarrassed - When she turned around and said

"I'm already taken - You spoke up too late  
I love somebody else - So you'll just have to wait"

The years flew by so quickly - And there we were in junior high  
I realized that I still loved her so  
So I called her up and told her - exactly how I felt  
Then she said, "There's something - That you really ought to know"

"I'm already taken - You spoke up too late  
I love somebody else - So you'll just have to wait"

So wait I did and never changed my love - For that little blond-haired girl  
Who's now the mother of our little blond-haired boy  
Who's to our hearts so close
