Quick with a smile - warm with a touch for me  
A Dsus D

That she wants to please

And she looks at me at times with such surprise  
Bm E A D  
When she sees how special she is - in my eyes

A Dsus D  
She's only human - and she cries sometimes when she looks in  
the mirror

And counts a new line that seems to appeared overnight  
A Dsus D  
She's only human - it's not that she's vain - she's just afraid

But I swear that's not right

Sometimes she makes mistakes - but I'm aware of her faults

She's just a woman - and giving her love - only to me

A Esus E  
Without her health - I would be less of a man

A  
Than she thinks I am

And in my eyes - love never changes or pretends

In my eyes - her mystery never ends

Makes her love grow sweeter still - in my eyes

In my eyes - she is my woman
