```
Dm              C                    Bb          C
I can feel it - coming in the air tonight -, Oh Lord
Dm                          C                Bb        C
I've been waiting for this moment - all my life, Oh Lord
Dm                C                      Bb          C         Dm
Can you feel it - coming in the air tonight, Oh Lord, Oh Lord

                                                    C
Well, if you told me you were drowning - I would not lend a hand
      Bb                                              F
I've seen your face before my friend, but I don't know if you know who I am
     Dm                                               C
Well, I was there and I saw what you did - I saw it with my own two eyes
             Bb
So you can wipe off the grin, I know where you've been
     Dm
It's all been a pack of lies
                     C                  Bb           C
And I can feel it coming in the air tonight, Oh Lord
Dm                              C                Bb         C
I've been waiting for this moment for all my life, Oh Lord
Dm              C                    Bb        C          Dm
I can feel it - comin in the air tonight, Oh Lord, Oh Lord

Well I remember, I remember don't worry
C                                      Bb                          Dm
How could I ever forget it's the first time, the last time we ever met
                                                                   C
But I know the reason why you keep your silence up, no you don't fool me
      Bb                                                          Dm
The hurt doesn't show; but the pain still grows, It's no stranger to you or me
                     C                    Bb           C
And I can feel it coming in the air tonight, Oh Lord
