

I Saw Her Standing There

Lyrics And Tab

(By The Beatles)

Intro E - B7 - E

Well she was just seventeen you know what I mean

And the way she looked was way beyond compare

So how could I dance with another, Oh, when I saw her standing there

Well she looked at me and I, I could see

That before too long I'd fall in love with her

She wouldn't dance with another, Oh, when I saw her standing there

Well my heart went boom when I crossed that room

And I held her hand in mine

Oh we danced through the night, and we held each other tight

And before too long I fell in love with her

Now I'll never dance with another, Oh, when I saw her standing there

BREAK - E - A7 - E - B7 - E - E7 - A - C - E - B7 - E

Well my heart went boom when I crossed that room

And I held her hand in mine

Oh we danced through the night, and we held each other tight

And before too long I fell in love with her

Now I'll never dance with another, Oh, when I saw her standing there

Oh, since I saw her standing there

Yeah, well since I saw her standing there
