

# It Don't Come Easy

## Ringo Starr

Intro - A-Em-G-D-A ... A-Em-G-D-A

A            Em            G        D            A  
It don't come easy - You know it don't come easy

                  Em            G        D            A  
It don't come easy - You know it don't come easy

                                  Em                                    G                                    A  
Got to pay your dues if you wanna sing the blues and you know it don't come easy

                                  Em                                    G                                    A  
You don't have to shout or leap about you can even play them easy

                  C                                    D  
Forget about the past - and all your sorrows

                  C                                    E                                    A  
But you sure won't last - it will soon be your tomorrow

                                  Em                                    G                                    A  
I don't ask for much, I only want your trust and you know it don't come easy

                                  Em                                    G                                    A  
And this love of mine keeps growing all the time and you know it just ain't easy

                  C                                    D  
Open up your heart, let's come together

                  C                                    E                                    A  
Use a little love and we will make it work out better

Break - A-Em-G-D-A ... A-Em-G-D-A

                                  Em                                    G                                    A  
Got to pay your dues if you wanna sing the blues and you know it don't come easy

                                  Em                                    G                                    A  
You don't have to shout or leap about you can even play them easy

                  C                                    D  
Peace, remember peace- is how we make it

                  C                                    E                                    A  
Here within your reach - if you're big enough to take it
