

# It's All For Me Grog

## Tab Chords And Lyrics

### By Irish Traditional

Intro G-D-G

And it's all for me grog, me jolly, jolly grog - All for me beer and tobacco

Well I spent all me tin with the lassies drinking gin

Far across the western ocean I must wander

Well now where are me boots, me noggin, noggin boots

They're all gone for beer and tobacco

For the uppers are all worn out - and the toes are kicked about

And the heels are looking for better weather

Ch

Where is me shirt me noggin, noggin shirt

It's all gone for beer and tobacco

For the collar is all worn - and the sleeves they are all torn

And the tail is looking out for better weather

Ch

Break - G-C-G-D-G-C-G-D7-G

I'm sick in the head and I haven't gone to bed

Since I first came ashore from me slumber

For I spent all me dough on the lassies don't you know

Far across the western ocean I must wander
