

I've Got All The Troubles I Can Handle

Chords And Lyrics

By Ernest Tubb

Intro – G7-C

C G7
I just come into this bar to have a quick one
C
Maybe give the bowling game a whirl
C7 F
Well you sat down next to me - and in a minute - I could see
G7 C
That you're a complicated kinda girl

G7
You say there's someone home - is waitin' for you
C
But you don't really care much if he cares
C7 F
If you're prayin' for a chance - at a really big romance
G7 C
I don't think I'm the answer to your prayers

G7
Cause I've got all the heartaches I can handle - back at home
C
I got all the pain and sufferin' I can use
C7 F
While I thank you for your gracious invitation
G7 C
I'll call you when I'm runnin' short of blues

Break – C-C7-F-G7-C

C G7
It's true that you might love me more than she does
C
And we might be a whole lot more than friends
C7 F
But I might start to love you as much as he does
G7 C
And then you'd be out looking once again
G7
I've been traveling down love's rocky road - a long time
C
And I guess that I should know a danger sign
C7 F
So you stay here - try to drown your trouble
G7 C
And I guess I'll go walking home to mine

G7
Cause I've got all the heartaches I can handle - back at home
C
I got all the pain and sufferin' I can use
C7 F
While I thank you for your gracious invitation
G7 C
I'll call you when I'm runnin' short of blues
G7 C
I'll call you when I'm runnin' out of blues
