I once heard it said - if someone would write a song

Bm

E

That the world could sing along - the world might be in harmony .. so

A

I wrote a song the kinda song you sing along with

Dbm Cm Bm E

And the words are very simple la la la

Bm

E

It has a style to make you smile and all the while

Bm

E

A Bm E

The only words you have to sing are la la la

A

And if you sing you'll find it brings a lot of things

A7

D Abm Db7

The kind of things that might make people get along

sing along

A  
The melody it holds the key to harmony  
Dbm Cm Bm E

And all you have to sing is simply la la la

Bm E  
And pretty soon they'll hear the tune across the room  
Bm E A Bm E

And out the window let the world hear la la la

A  
Then join your hands across the land strike up the band  
A7 D Abm Db7

And who's the say the whole wide world might sing along

Gbm Dm Dbm Gbm Bm E  
So what's to lose let's spread the news don't refuse now everybody all together
