Intro – G - C/G – G (x2)

G C/G G  
Woke up today and decided to kill my ego  
Em C G  
It aint ever done me no good no how  
C/G G  
Gonna break through and blast off to the Bardo  
D G C/G G  
In them flowers of light - far away from - the here and now

C/G G  
Taking a 49 divine day vacation  
Em C G  
From reality and all else in between  
C  
Gonna transmigrate -to my destination  
G D G C/G G  
Far beyond time in an e-- ternal dream

D G  
But am I dreaming - or am I dying  
Em C D  
Either way - I don't mind at all  
Em G C  
It feels so good - you just can't help but crying  
G D G  
Oh you have to let go - so the soul - can fall

Break – G-C/G-G ... G-C/G-G ...Em-C-G

Oh my God - it's so beautiful

Everything is a - part of me

It's so hard looking through - all the lies made of wool

But if you close your eyes - it becomes so - easy to see
