

# Keep It In The Middle Of The Road

## By Exile

Intro - G-G7-C-Edim-G-D7-G

G

Keep it in the middle of the road, honey

C G

Let's keep it in the middle of the road

D D7

Neither right nor left, right down that center we go

G G7 C Edim

Don't let our love fall by the wayside like a lot of people I know

G D7 G

Whatever we do let's keep it in the middle of the road

Honey let's stay (stay) - on the straight and narrow

C7 G

Stick together just like a bow and arrow - we're headed in the right direction don't lose control

And don't look - don't ever look back

'Cause honey don't you know we're on the right track

C7 D7

We've got a combination too good to let go yeah

Ch

Break - G-C-G-D7-G-G7-C-Edim-G-D7-G

We got to be tough (tough) - stand our ground

C7 G

Don't let nobody pull us down - Get on the fast lane and take it slow

We got love (got love), steady as a rock

Flowing like a river, spinning like a top

C7 D7

We've got a combination too good to let go a' wo-wo

Ch x2

G D7 G

Whatever we do let's keep it in the middle of the road
