

Lead Me On

Cory Morrow

Intro - G-D-C-G ... G-D-C

G D

Here I am busted up again - another wasted love

C

It was worth it on the road awhile, hangin' on her poison smile

G D

That girl was easy on the eye - but hard on my heart

C

G

All the signs said we were wrong, but I let her lead me on

Em C G D

Lead me on sweet baby - you were not a lady

A C G

But you knew all the ways to turn me on

Em C G D

Throw me down, leave me thirsty, spare me your mercy

A C G D C

Just as long as you keep leadin' me on

G D

Don't want to sing another sad song, sayin' the same old thing

C

I don't need your sympathy, don't shed your tears for me

G D

Days when you find me split in two, save myself a run to you

Am C G

Just take me by the hand, you can lead me on again

Ch

A C D Em

You could leave me lonely, you could leave me crazy

F C G

You could leave me barely hangin' on

A C G

Just as long as you keep leadin' me on

Em C G D

Lead me on sweet Jesus, she left me in pieces

A C G

But she knew all the ways to turn me on
