

# Let Me Be There

## Tab Chords And Lyrics

### By Olivia Newton John

Drop D tuning - Intro D-A-D

Wherever you go - Wherever you may wander in your life

Surely you know - I always wanna be there

Holding you hand - And standing by to catch you when you fall

Seeing you through - In everything you do

Let me be there in your morning, let me be there in you night

Let me change whatever's wrong and make it right (make it right)

Let me take you through that wonderland that only two can share

All I ask you is let me be there (Intro D-A-D)

Watching you grow - And going through the changes in your life

That's how I know - I always wanna be there

Whenever you feel you need a friend to lean on, here I am

Whenever you call, you know I'll be there

Let me be there in your morning, let me be there in you night

Let me change whatever's wrong and make it right (make it right)

Let me take you through that wonderland that only two can share

All I ask you is let me be there
