## Chords And Lyrics

### By Keb Mo

Capo on 2<sup>nd</sup> fret

Intro – C-Am-C-G-Fm-C

Let's go driftin' through the trees - Let's go sailing on the sea  
Let's go dancing - on the juke-joint floor  
And leave our troubles all behind - and have a party  
So easily forgotten - are the most important things  
Like the melody and the moonlight in your eyes  
And a song that lasts forever - keeps on getting better all the time  
Life is beautiful - life is wonderous - Every star above - is shining just for us  
Life is beautiful - on a stormy night  
Somewhere in the world - the sun is shining bright  
I get crazy - so afraid - That I might lose you - one fine day  
And I'll be nothing - but a tired old man  
And I don't wanna be without you - at the party  
So easily forgotten - the most important thing - Is that I love you - I do  
And I want to spend my days and nights  
Walking through this crazy world with you
