

Life Of Sin

Chords And Lyrics

By Sturgill Simpson

Intro – E

E B7
Lately things have been a little complicated
E
Quality of life has got me down
B7
Sex is cheap and talk is overrated
E
And the boys and me still working on the sound
B7
A little happiness, a little love was all I wanted
E
Sure as Hell thought I'd found it but I was wrong
A
She left my heart feeling taunted--and my memories all haunted
B7 E
But it's her I have to thank for all my songs

A
So every day I'm smoking my brain hazy
E
All I can do to keep from going crazy
B7
But the paranoia is slowly creeping in
A E
I keep drinking myself silly - Only way for this hillbilly
B7 E
And I thank God for this here life of sin

Break – A-E-B7-E

B7
Every morning when I rise - I look in the mirror and despise
E A
The sight of everything - and all that I've become
B7
The level of my medicating - some might find intimidating

But that's alright - cause' it don't bother me none

E B7
Lately things have been a little complicated
E
Quality of life has got me down
B7
Sex is cheap and talk is overrated
E
And the boys and me still working on the sound
