

Like You Always Could Do

Garth Brooks

Intro - G-D-G

G C G
Just when I thought I had my life together
D
Just when I thought there was no trace of you
G C G
You walked in the room full of friends full of strangers
D G
And you turned me around like you always could do

C G
Just one look at you and my hands started shaking
D
The smile in your eyes said this time Ill be true
G C G
My mind knows it's wrong but my heart wouldn't listen
D G
And you turned me around like you always could do

C G
Round and round like a top when its spinning
D
Like a wheel when its turning my heart turns for you
G C G
And sometimes when you hurt me - I say this time it's over
D G
And you turn me around like you always could do

Break - G-C-G ... G-D ... G-C-G G-D-G

Ch

1st verse --

Ch (optional)

G C G
Just when I thought I had my life together
