Lion In The Winter
Tab Chords And Lyrics
By Hoyt Axton

Intro – A-E-D-A

A D A
Like a lion in the winter - I can hear the summer call
E
Like a ship out on the ocean - made of stone
A D A
And sometimes when I get lonely - I can swear I hear you call
E D
Oh the nights are cold when you don't - keep me warm

A D A
And when I first saw you I first loved you
E D A
With a song that I sang - to the fire in your eyes
D A
But somebody told you that it wouldn't be easy
E D A
And you carried that lie for the devil to sing

D A
Some sail rivers deep and muddy - some sail rivers clear and cold
E
But the river that I'm sailing goes to sea
A D A
And sometimes I do grow weary - sometimes I feel old
E D
And sometimes I wonder - if you think of me
