

Live

The Merry Go Round

Intro - E-D-A

E D A E
Oh no - you're the kind of girl - who's got herself - wound up in a ball

D A E
Oh - you think you live - but how can ya - locked up in four walls

D G D
If you gotta go you better live your life before you pass away - don't waste a day
G D

All your life's been spent locked in your room you never had a chance to roam
E
Away from home

D A E
So - you're gonna go - go today - don't waste any time

D A E
For - in life a day - is worth a million - soon you will find

D G D
If you gotta go you better live your life before you pass away - don't waste a day
G D

All your life's been spent locked in your room you never had a chance to roam
E
Away from home

D A
Live - Live - Live - Live

E D A
Live - Live - Live - Live

E D A E
Now - do what you want - go where you want - it's all up to you

D A E
For - in life the rule - is just to do - what you want to do

D G D
If you gotta go you better live your life before you pass away - don't waste a day
G D

All your life's been spent locked in your room you never had a chance to roam

E

Away from home

D

A

E

If - you don't know now - what life's about - go on now and live

D

A

E

And if - you don't know how - it's not so hard - just let go and live

D

G

D

If you gotta go you better live your life before you pass away - don't waste a day

G

D

All your life's been spent locked in your room you never had a chance to roam
