

# Love Yourself

## Chords And Lyrics

### By Justin Beiber

Capom on 2<sup>nd</sup> fret

                  D                  A                  Bm  
For all the times that you rain on my parade  
                  Em                  D                  A  
And all the clubs you get in using my name  
                  D                  A                                  Bm  
You think you broke my heart oh girl for goodness' sake  
                  Em                  D                  A  
You think I'm crying on my own well I ain't

                                  D  
And I didn't wanna write a song  
A                                  Bm  
'Cause I didn't want anyone thinking I still care  
          Em          D                  A  
I don't but you still hit my phone up

                                  D  
And, baby I be movin' on  
A                                  Bm  
And I think you should be somethin' I don't wanna  
Em          D                  A  
Hold back maybe you should know that

                          Bm                  G                  D  
My mama don't like you and she likes everyone  
                  Bm          G                  D  
And I never like to admit that I was wrong  
                          Bm                  G  
And I've been so caught up in my job  
                  D                  A                  Bm  
Didn't see what's going on but now I know

G            D            A  
I'm better sleeping on my own  
              D            A            Bm            G  
'Cause if you like - the way you look that much  
              D            A            D  
Oh, baby, you should go and love yourself  
                                 A            Bm            G  
And if you think - that I'm - still holdin' onto somethin'  
D                            A            D  
You should go and love yourself

                          D            A            Bm  
And when you told me that you hated my friends  
                  Em            D            A  
The only problem was with you and not them  
                  D            A            Bm  
And everytime you told me my opinion was wrong  
                  Em            D            A  
And tried to make me forget where I came from

                          Bm            G            D  
My mama don't like you and she likes everyone  
                  Bm            G            D  
And I never like to admit that I was wrong  
                          Bm            G  
And I've been so caught up in my job  
                  D            A            Bm  
Didn't see what's going on but now I know

G            D            A  
I'm better sleeping on my own  
              D            A            Bm            G  
'Cause if you like - the way you look that much  
              D            A            D  
Oh, baby, you should go and love yourself  
                                 A            Bm            G  
And if you think - that I'm - still holdin' onto somethin'
