

Love The One You're With

Lyrics And Tab

(By Stephen Stills)

Intro - A (see my webpage or instructional tutorial for the variations needed)

A

If you're down and confused
And you don't remember who you're talkin' to
Concentration slip away
Cause your baby is so far away

Well, there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love, honey
Love the one you're with

Don't be angry, don't be sad
Don't sit cryin' over good times you've had
There's a girl right next to you
And she's just waiting for something to do

CH

Do do do do do do do do, do do do do do do do do do do
Do do do do do do do do do, do do do, do do do

BREAK Gbm - E- D - Gbm - E - D - Gbm - D - E - A

Turn your heartache right into your joy
She's a girl, and you're a boy
Get it together make it nice
Ain't gonna need anymore advice
