I like to dream ----- yes, yes - right between my sound machine

On a cloud of sound I drift in the night

D C G  
Any place it goes is right

D C G D C G  
Goes far, flies near, to the stars away from here well

D C D D C G  
You don't know what we can find

D C G  
Why don't you come with me little girl  
D C G

On a magic carpet ride

D C G D C G  
You don't know what we can see

D C G  
Why don't you tell your dreams to me  
D C G

Fantasy will set you free

A#  
Close your eyes girl -- look inside girl

C G  
Let the sound take you away

D C G D C G  
Last night I held Aladdin's lamp --- and so I wished that I could stay

D C G  
Before the thing could answer me

D C G  
Well, someone came and took the lamp away

D C G D C G  
I looked around, a lousy candle's all I found
